Pacific Coastal Salmon Recover Fund

ESU Status

- Endangered
- Threatened

Project Types

- Enhancement and Harvest Management
- Habitat Protection and Restoration
- Outreach and Education
- Planning and Assessment
- Research, Monitoring, and Evaluation

OWEB's investments

Currently...

...biennial budget of \$103 million (*2/3 Lottery, 1/3 federal salmon dollars*)

...1,174 open grant agreements with a balance of over \$79 million

...1,185 combined applications reviewed and grant agreements executed in this biennium*

... Applications received total \$59 million in requests to date*

* With three of four grant cycles completed for the biennium

Program Delivery

OWEB

- Solicits for grants and completes reviews in partnership with other agencies
- Manages grant program
- Implements effectiveness monitoring programs
- Develops effective partnerships to leverage resources at the regional/state level

Local Restoration Partners

- Implement restoration projects on the ground
- Provide outreach
- Monitor project success
- Develop effective partnerships to leverage resources at the local level

Landowners and Communities

- Commit to voluntary conservation work on their land
- Invest in the local restoration economy
